Entertainment

1. **Stream live TV with Fire TV Cube:** Connect your cable or satellite box to the Fire TV Cube and use Alexa voice commands to control live TV, change channels, and search for shows.
2. **Listen to music in multiple rooms:** Create a multi-room music system by linking multiple Alexa devices and playing the same music throughout your home.
3. **Set a sleep timer for music:** Say "Alexa, set a sleep timer for 30 minutes" to have your music automatically turn off after a specific time.
4. **Get personalized music recommendations:** Alexa learns your music preferences over time and can suggest new songs and artists you might enjoy.

5. **Play interactive games:** Alexa offers a wide range of games, from trivia to guessing games, that you can play with your friends and family.

Productivity

6. **Create reminders and appointments:** Use Alexa to set reminders for important tasks or create appointments in your calendar.
7. **Get traffic updates and commute times:** Ask Alexa for the traffic conditions and estimated travel time to your destination.
8. **Manage your shopping lists:** Create shopping lists using Alexa and access them from your phone or computer.
9. **Check your email and calendar:** Alexa can read aloud your emails and calendar entries.
10. **Set alarms and timers:** Use Alexa to wake you up, remind you of appointments, or time cooking or exercise.

Information Gathering

11. **Get the latest news updates:** Ask Alexa for news from specific sources or general headlines.
12. **Check the weather forecast:** Get the current weather conditions and forecast for your location or anywhere in the world.
13. **Translate languages:** Alexa can translate phrases and words into over 50 languages.
14. **Get sports scores and updates:** Stay up-to-date with the latest scores and news from your favorite sports teams.

15. **Access unit conversions and calculations:** Ask Alexa to convert units or perform simple calculations.

Smart Home Control

16. **Control lights and appliances:** Use Alexa to turn lights on or off, dim lights, and control smart plugs to power devices.
17. **Adjust thermostat settings:** Change the temperature or switch between cooling and heating modes using Alexa voice commands.
18. **Lock and unlock doors:** Control smart locks with Alexa to secure your home or let guests in remotely.
19. **Monitor security cameras:** View live footage from your security cameras on Echo Show devices or on your smartphone.
20. **Create routines:** Set up routines that trigger multiple actions with a single voice command, such as turning on lights and starting a coffee maker in the morning.

Skills

21. **Enable the Alexa Shopping skill:** Use Alexa to order products from Amazon and track your orders.
22. **Get recipes with the Allrecipes skill:** Ask Alexa for recipes, ingredients, and cooking instructions.
23. **Learn a new language with the Duolingo skill:** Practice speaking and listening to foreign languages with Alexa.
24. **Play trivia with the Jeopardy! skill:** Test your knowledge with trivia questions from the popular game show.

25. **Get personalized bedtime stories with the Wondery skill:** Create personalized bedtime stories for your children based on their preferences.

Fun Facts

- The original name for Alexa was "Echo".
- Alexa's voice is based on the voice of Nina Rolle, an actress from San Francisco.
- Alexa can recognize over 60,000 skills and is constantly learning new ones.
- The most popular skill on Alexa is the Flash Briefing, which provides a daily news update.
- Amazon has sold over 100 million Alexa devices worldwide.
