Conference Overview

The 4th International Conference on Microelectronics and Nanoelectronics, Spintronics, Power Electronics, MEMS and NEMS, Photonics and Optoelectronics, Medical Electronics, Renewable Energy Electronics, and Emerging Electronic Technologies (MSPN 2024) will be held in Paris, France, from June 18 to 20, 2024. The conference will provide a forum for researchers and practitioners to present and discuss the latest advances in these fields.

The conference will feature keynote speeches by leading experts in the field, as well as technical sessions on a wide range of topics. These topics include:

- Microelectronics and nanoelectronics
- Spintronics
- Power electronics
- MEMS and NEMS
- Photonics and optoelectronics
- Medical electronics
- Renewable energy electronics
- Emerging electronic technologies

Important Dates

The important dates for MSPN 2024 are as follows:

- Paper submission deadline: March 15, 2024
- Notification of acceptance: April 15, 2024
- Camera-ready paper submission deadline: May 15, 2024
- Conference dates: June 18-20, 2024

Submission Guidelines

Authors are invited to submit original research papers in all areas of microelectronics and nanoelectronics, spintronics, power electronics, MEMS and NEMS, photonics and optoelectronics, medical electronics,

renewable energy electronics, and emerging electronic technologies. Papers should be no more than 6 pages in length, and should be formatted according to the IEEE conference template. Papers should be submitted electronically through the conference website.

Conference Venue

The conference will be held at the Palais des Congrès de Paris, which is located in the heart of Paris, France. The Palais des Congrès is a world-class conference facility that offers a variety of amenities and services.
