1. Leather Journals

Leather journals are a great way to keep track of your thoughts and ideas. They are also a stylish and unique gift. To make a leather journal, you will

need:

*

- A piece of leather
- A needle and thread
- A piece of cardboard or chipboard
- A ruler
- A pencil

First, cut two pieces of leather to the desired size of your journal. Then, fold the leather in half and sew the sides together. Next, cut a piece of cardboard or chipboard to the same size as the leather and insert it into the journal. Finally, use a ruler and pencil to mark the lines for the pages of your journal. You can then sew the pages together or leave them loose.

##

2. Leather Keychains

Leather keychains are a great way to keep your keys organized and stylish. They are also a quick and easy project to make. To make a leather keychain, you will need:

*

- A piece of leather
- A key ring

- A needle and thread
- A pair of scissors

First, cut a piece of leather to the desired size of your keychain. Then, fold the leather in half and sew the sides together. Next, attach the key ring to the keychain. Finally, use a pair of scissors to trim any excess leather.

##

3. Leather Coasters

Leather coasters are a great way to protect your furniture from water damage. They are also a stylish way to add a touch of personality to your home. To make leather coasters, you will need:

*

- A piece of leather
- A cork backing
- A needle and thread
- A pair of scissors

First, cut a piece of leather to the desired size of your coasters. Then, cut a piece of cork backing to the same size as the leather. Next, glue the cork backing to the leather. Finally, use a needle and thread to sew around the edges of the coasters.

##

4. Leather Phone Case

A leather phone case is a great way to protect your phone from scratches and dings. It is also a stylish way to personalize your phone. To make a leather phone case, you will need:

*

- A piece of leather
- A piece of felt
- A needle and thread
- A pair of scissors

First, cut a piece of leather to the desired size of your phone case. Then, cut a piece of felt to the same size as the leather. Next, glue the felt to the leather. Finally, use a needle and thread to sew around the edges of the phone case.

##

5. Leather Wall Art

Leather wall art is a great way to add a touch of style to your home. It is also a relatively easy project to make. To make leather wall art, you will need:

*

- A piece of leather
- A frame

- A needle and thread
- A pair of scissors

First, cut a piece of leather to the desired size of your wall art. Then, attach the leather to the frame. Finally, use a needle and thread to sew around the edges of the leather.

##

6. Leather Tote Bag

A leather tote bag is a great way to carry your everyday essentials. It is also a stylish and durable bag that will last for years to come. To make a leather tote bag, you will need:

*

- A piece of leather
- A pair of leather handles
- A needle and thread
- A pair of scissors

First, cut two pieces of leather to the desired size of your tote bag. Then, sew the two pieces of leather together, leaving an opening at the top for the handles. Next, attach the leather handles to the tote bag. Finally, use a needle and thread to sew around the edges of the tote bag.

##

7. Leather Belt

A leather belt is a great way to add a touch of style to your outfit. It is also a durable and functional accessory that will last for years to come. To make a leather belt, you will need:

*

- A piece of leather
- A belt buckle
- A needle and thread
- A pair of scissors

First, cut a piece of leather to the desired length and width of your belt. Then, punch holes in the leather for the belt buckle. Next, attach the belt buckle to the leather. Finally, use a needle and thread to sew around the edges of the belt.

##

8. Leather Shoes

Leather shoes are a great way to add a touch of style to your outfit. They are also durable and comfortable shoes that will last for years to come. To make leather shoes, you will need:

*

- A piece of leather
- A shoe last

- A needle and thread
- A pair of scissors

First, cut a piece of leather to the desired size and shape of your shoes. Then, attach the leather to the shoe last. Next, use a needle and thread to sew the leather together. Finally, trim any excess leather and finish the shoes with a shoe polish.

##

These are just a few ideas for what you can make with leather. With a little creativity, you can create a variety of stylish and functional items from this versatile material. So what are you waiting for? Get started today!
