## The Kilnain Case

The tranquility of Lochdubh is shattered when the body of a prominent local farmer, Lachlan Kilnain, is discovered in his own barn. As Constable Macbeth arrives on the scene, he is met with a cast of suspicious characters, each with their own secrets and motives.

Among the suspects are Kilnain's estranged wife, a bitter and ambitious woman; his enigmatic business partner, harboring a dark past; and a group of land protestors, who had been clashing with Kilnain over his controversial development plans.

As Hamish delves deeper into the investigation, he uncovers a complex web of relationships, rivalries, and unspoken truths. The victim's hidden life and questionable dealings paint a murky picture, leading Hamish to suspect that the murder may have been more personal than it initially seemed.
