Our History

Our Helping Hands Jerry Griffin II was founded in 1995 by Jerry Griffin II. Jerry was a local businessman who was deeply committed to helping his community. He saw that there were many people in need, and he wanted to do something to help.

Jerry started Our Helping Hands with a small food pantry in his garage. He would collect food donations from local businesses and individuals, and then distribute the food to families in need. Over time, Jerry's food pantry grew into a full-fledged non-profit organization.

Today, Our Helping Hands Jerry Griffin II is one of the largest non-profit organizations in the community. We provide food, shelter, and other essential services to thousands of people each year.
